

LaTeX highlight demo

Vincent Kuhlmann

11 March 2021

Let's start

Simple document

And your code should now look like:

```
% File: document.tex
\documentclass[a4paper]{article}
\usepackage{amsmath}

\begin{document}
  Insert math like  $\sqrt{2}$ .

\end{document}
```

after it

Simple document

And your code should now look like:

```
% File: document.tex
\documentclass[a4paper]{article}
\usepackage{amsmath}

\begin{document}
  Insert math like  $\sqrt{2}$ .

\end{document}
```

after it
